CITY SCHOOL BOARD. -The regular meeting for October was held at the Superintendent' office last night; present, the City Superintendent and Messrs, S. F. Beach, J. S. Beach, Hop kins, Kell, Whittington, and Witmer.

On motion of Mr. Whittington, Mr. S. F Beach was elected Chairman pro tempore, and the minutes of the last meeting were read and approved.

Mr. Witmer from the Finance Committee reported as correct the following bills, which were ordered to be paid, viz: Wm. A. Smoot, coal for schools; \$240; John E. Rose, wood for do. \$22.75; Markell & Hill, printing letter-heads

and envelopes for clerk, \$2.

The Superintendent laid before the Board correspondence between himself and the Superintendent of Public Instruction relative to a donation from the Peabody Educational Fund, showing first, that \$2,000, had been asked for by the City Superintendent and the application heartly endorsed by the Superintendent of Public Instruction; secondly that only \$1,500 had been granted by the agent of the fund; and lastly that this was a elerical error and that only \$1,000 had been really granted.

The Superintendent laid before the Board a letter from Wm. F. Powell, Principal of Snowden School, in reference to an article which had been published some time since, showing that the average expense of educating colored, was greater than that of schools are not yet filled up because the pubils are at work, but that they will return to school later in the session.

On motion of Mr. Whittington, the communication was referred to the Committee on Studies and Discipline.

The Superintendent then explained that the highest grade of Washington School had been closed for a week past in consequence of the disability of the Principal, there being now no male substitutes, those elected to that position having accepted other situations. He also stated that the plan of having substitutes was considered by some of the female teachers injurious to the discipline of their schools, but recommended that no action be taken for the

On motion of Mr. Kell, the Clerk was directed to inform the President of the Common Council that the terms for which Messrs. Wm. F. Carne, Joseph Hopkins, Augustus E. Addison, and S. Ferguson Beach were appointed, would expire on the 29th inst., and request the City Council to fill the vacancies.

On motion of Mr. J. S. Beach, it was resolved by the School Board of Alexandria, that the Superintendent be authorized to purchase out of the fund set apart for the purpose such articles of school furniture as he may deem necessary for the comfort of pupils and teachers. On motion of Mr. Whittington, the Board then adjourned.

DONATION FROM THE PEABODY FUND .-The City Superintendent of Public Schools requests us to say that the information upon which he stated to the City Council that \$1500 had been promised for this year by the agent of the Peabody Educational Fund, turns out to be incorrect. A letter received by him yester-day from the Superintendent of Public Instruction says that in making the statement in a former letter, that \$1500 had been granted, he was misled by a clerical error, and that only \$1000 is allowed for this year as for the last.

ERRATUM. -- In a letter from West Virginia, published in Thursday's Gazette, the writer is made to say the "Big Bend tunnel, on the C. & O. Railroad, is seven miles and a quarter long. It was the substitution of the word seven for some. A tunnel a mile and is reported at £5,000. Very liberal contribua quarter long is, however, a very long one.
